Fresno, California

We have performed the procedures enumerated in Attachment II, which were agreed to by State Center Community College District (the "District") and the Independent Citizens' Bond Oversight Committee for Measure E (the "Committee"), solely to assist the Committee in evaluating District management's assertions concerning disbursements of bond funds for the three months ended June 30, 2012. This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the District and the Committee. Consequently, we make no representation regarding the sufficiency of the procedures described in Attachment II either for the purpose for which this report has been requested or for any other purpose.

The procedures performed and conclusions reached as a result of these procedures are identified in Attachment II. Attachment I contains background information about the Measure E Bonds. Attachment III is the compiled Schedule of Measure E General Obligation Bond Activity.

We were not engaged to, and did not, perform an audit or review, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed other procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of State Center Community College District and the Independent Citizens' Bond Oversight Committee for Measure E and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.

STATE CENTER COMMUNITY COLLEGE DISTRICT GENERAL OBLIGATION BONDS, MEASURE E

The State Center Community College District, Fresno County, Tulare County, Madera County and Kings County, California Election of 2002 General Obligation Bonds, Measure E were authorized at an election of the registered voters of State Center Community College District held on November 5, 2002 at which more than fifty-five percent of the persons voting on the proposition voted to authorize the issuance and sale of \$161,000,000 principal amount of general obligation bonds of the District. STATE CENTER COMMUNITY COLLEGE DISTRICT
PROCEDURES PERFORMED AND CONCLUSIONS

PROCEDURES PERFORMED

State Center Community College District provided a list of all Measure E project expenditures (the "List"). A total of 25 warrants were identified representing \$1,469,981 in expenditures from April 1, 2012 through June 30, 2012. We performed the following procedures to the List of Measure E bond expenditures:

- Verified the mathematical accuracy of the List.
- Selected 25 expenditures totaling \$1,469,981. The sample was selected to provide a representation across specific construction projects, vendors, and expenditure amounts. The sample represented 100% of the total number of expenditures and 100% of the total expenditure value.
- Agreed selected expenditures to vendor invoices and cancelled warrants noting the date and amount of the expenditure, and that the funds were expended for the construction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities and that funds were not spent for District administrative or instructional salaries or other administrative expenses.

CONCLUSIONS

- The List was mathematically accurate.
- Each of the 25 expenditures tested represented valid Bond expenditures, were properly charged to the location indicated, were properly coded as to the nature of the expenditure and were determined to represent construction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities and were not spent for District administrative or instructional salaries or other administrative expenses.
